PROFILE

I am a BSc. CSIT student in Nepal with a passion for emerging technologies. I have gained expertise in Flutter for cross-platform mobile app development and Node.js for building scalable server-side applications. Through academic projects and coding challenges, I have honed my skills in programming, problem-solving, and attention to detail.

What sets me apart is my enthusiasm for continuous learning and staying up-to-date with industry trends. I actively contribute to open-source projects, demonstrating my collaborative nature and strong communication abilities.

With a combination of technical expertise and soft skills, I am well-equipped to tackle complex challenges and deliver innovative solutions. My drive and commitment make me a valuable addition to any team or organization.

EMPLOYMENT HISTORY

While I haven't had the opportunity to engage in formal internships or professional roles yet, I have been proactively honing my skills in Flutter and Node.js through personal projects and continuous learning. My dedication to these technologies has allowed me to gain practical experience and develop a strong understanding of their capabilities.
